INTRODUCTION

The District 12 Group Representatives along with the District Officers and Service Coordinators make up the Board of the District 12 Ventura County Al-Anon/Alateen Family Groups, a California Nonprofit Benefit Corporation and charitable 501 (c)(3) tax-exempt entity per the Internal Revenue Service.

The Group Representatives (GRs) are elected for a three-year term by the District's Al-Anon members. The Officers and Service Coordinators are then elected by the GRs, also for three-year terms. The Officers are elected to provide functional administration to the District and as such are responsible for managing the District's assets and assuring that the District activities adhere to the Al-Anon principles and Traditions. The Service Coordinators are elected to facilitate and coordinate the services needed to carry the message of Al-Anon. It is suggested that each position maintain a service binder/electronic file to preserve historical records.

All Officers, Service Coordinators, and Group Representatives (GRs) must live within the geographical area near Ventura County during their entire term. These positions act in accordance with the spiritual principles of Al-Anon Family Groups, while conducting the duties of their position for the District; mileage and expenses shall be reimbursed according to approved budget. The Officers and Coordinators accept additional demands on their time and possess special skills relevant to their position. The GRs are the voting members of the Board.

The Officers and Service Coordinators vote if they are also GRs. Members of Al-Anon in District who also are members of A.A. are not eligible to hold Al-Anon service positions that vote in matters affecting another group or Al-Anon or A.A. as a whole. The Officers and Service Coordinators are trusted servants who meet among themselves every other month, six times per year to coordinate and discuss their service activities. As Trusted Servants the Officers and Service Coordinators have been given decision making authority by the District's Al-Anon members and Group Representatives to carry out their services in respect of the following suggested guidelines as best they can. All members of the District are encouraged to attend Assemblies.

17. Social Media Coordinator:

The Social Media Coordinator is a new service position for Districts and Areas. This is an evolving service at our level so we have limited historical reference to provide as of yet. Below are segments from the AI-Anon/Alateen Service Manual 2022-2025v2/Digest of AI-Anon/Alateen Policies/Social Media, as a starting point:

Social Media—Areas, Districts

Service arms (Areas, Districts, AIS/Intergroups) can create blogs, profiles, or social media pages for public outreach relevant to the membership they serve, recognizing the need to adhere to Concept Ten by avoiding conflict with the service authority granted to the WSO by the WSC. Service arms can create and post content consistent with AI-Anon’s spiritual principles and Legacies except when to do so would violate copyright law. Only AI-Anon service arms are given permission to use the AI-Anon and Alateen trademark names and logos for social media purposes (see AI-Anon/Alateen Service Manual for “Copyrights” and “Symbols/Logos”).

Social Media—Groups

In keeping with Tradition Five, the purpose of an AI-Anon Family Group is to help the families and friends of alcoholics. Groups do not create social media pages. Groups are encouraged to support service arms’ public outreach efforts.

Social Media—Individual Members

To carry the message as described in Step Twelve, members are welcome to share social media posts from the WSO and AI-Anon service arms for public outreach. Members maintain the principle of anonymity, never revealing their membership, and do not appear to speak for AI-Anon as a whole. They avoid actions, behaviors, or commentary that could draw AI-Anon into public controversy, harm AI-Anon’s name, or distort its public outreach message. The names “AI-Anon” and “Alateen” are trademark names and may not be used as usernames, logos, or identifying characteristics on profiles (see AI-Anon/Alateen Service Manual for Anonymity) In order to adhere to the spiritual principles described in Tradition Twelve, individual members do not create AIAnon/Alateen social media pages.

Given the worldwide nature of the internet and the various types of people who could find and visit our social media, it is important to ensure content is relevant and meets the need of our audiences, which may include:

- *Potential newcomers looking to learn more about Al-Anon and how to find a meeting.*
- *Members or groups who may be looking for District 12 or Area information, literature, resources, or local events.*
- *Professionals who may be seeking information for their client or patient.*
- *Members of the local media who may be interested in Al-Anon information.*
- *Service arms looking for other Area or group resources.*
- *Reviewing and approving content with the Al-Anon Traditions and spiritual principles in mind.*
- *Website work group members should consider rotation of service when choosing a developer, taking care to ensure the website is accessible to future trusted servants.*
- *When developing content double check spelling and ensure the proper use of grammar.*

Outreach is based on attraction, rather than promotion. It's always been Al-Anon's approach to carry a clear and simple message about our program of recovery. That is to let people know what we are, what we do, and how they can contact us. We do this in many creative ways while avoiding high-pressure tactics that distort the message of hope or bring us into public controversy.

We attract interest in Al-Anon family groups when we communicate what our lives were like before we came to Al-Anon, what we found in Al-Anon that helped us, and what our lives are like today. In error, we would be promoting Al-Anon if we offered promises, guarantees, personal advice, or gave the impression that we are experts who know what is best for all families and friends of alcoholics.

Personal anonymity is maintained at the level of press, radio, films, TV, and the Internet. Tradition Twelve tells us that anonymity is the spiritual foundation of our entire program. Members maintain

personal anonymity in all forms of public media including press, radio, films, TV, the Internet, as well as other ways of reaching the public.

It is essential that members consider Tradition Eleven as they keep public outreach messages free from personality. No one person can ever be the sole representative of Al-Anon. The message of recovery in the media is too important to be overshadowed by a single person or group no matter how well intentioned.

The following are suggested guidelines to perform this service:

1. Work with the Service Board in utilizing a platform for carrying the message to Ventura County Al-Anon.
2. Monitor and assess the private District 12 Facebook page that was created prior to January 2023 for best practices in current Al-Anon social media, copyright use of logos, and conference approved literature.
