

AMIAS Certification

Dear District 12,

Alateen service has become a hugely important part of my life. While attending Alateen meetings, I have had the privilege of sitting with so many wonderful teens. The commitment of serving as an AMIAS and the District 12 Alateen Coordinator has done more to strengthen my personal recovery than any other commitment that I have or have had.

I have been able to further develop empathy and understanding all the while contributing to a very necessary fellowship that does not exist without Al Anon participation and support. We need more Al Anon members involved in Alateen Service (AMIAS). We have had a lot of growth in our area the last couple years of Alateen. We currently have 2 regular meetings in Oxnard, 2 regular meetings in Ventura, and 6 school meetings in Ventura. But we cannot grow more without Al Anon Volunteers!!!

I have a dream that one day every teen in Ventura County will have access to this program but that won't happen without more Al Anon support. If you have 2 years in Al Anon, please consider if you can be of service in this endeavor!, by becoming an AMIAS.

Sincerely Patrick D.
District 12 Alateen Coordinator

**If you are considering becoming an AL-Anon member involved in Alateen service please join us in person at "The Buck"
321 N Aviador St, Camarillo, CA 93010
Wednesday October 15th, 2025
7:00pm-9:00pm**
